

Firework / Bonfire condition endorsement

The following applies to the whole of this **policy** and is a condition precedent to **our** liability. **We** will not make any payment under this insurance unless **you** comply with all of the requirements below.

Whenever **you** are responsible for any firework or bonfire displays at the **business premises**, **you** must ensure that:

- i) There is a written risk assessment in place for the proposed event; and
- ii) The fire brigade have been notified of the details of the event at least 7 days before the event is due to take place; and
- iii) The relevant local authorities have been notified and permission for the event granted, **you** must also ensure that any requirements from the authorities are fully complied with; and
- iv) All manufactures guidelines in respect of the storage and use of fireworks and sparklers are strictly adhered to; and
- v) Fireworks are purchased from a reputable supplier and are not modified in any way; and
- vi) All employees or volunteers have received appropriate training (recorded in writing) and are aware of the safety procedures for the event; and
- vii) There is appropriate first aid presence on site, in line with the risk assessment document; and
- viii) Appropriate fire extinguishing equipment is available at the event and staff/volunteers have been instructed in the safe operation and use of such equipment; and
- ix) All members of the public are kept at least 25 metres from both the display area and the bonfire itself behind appropriate safety fencing; and
- x) The bonfire is kept at least 25 metres away from the firework display area, and is not located within 5 metres of any trees fencing or other combustible material; and
- xi) The bonfire is kept at least 100 metres away from any premises, car parks or other storage of any flammable or dangerous materials; and
- xii) There will be no use of accelerants or other flammables on the bonfire; and
- xiii) An appropriate check is made of the weather conditions prior to the event going live, and if appropriate a check is made with the fire brigade as to whether to continue with the event; and
- xiv) At the end of the display a thorough check is undertaken (and a written record kept) of the area to ensure that no potential fire hazards remain – the bonfire area must be doused in water; and
- xv) If a subcontractor is operating the display the sub contractor has public liability insurance in place to a limit no less than **your** limit shown in the schedule, and **you** have retained a written record of their insurance details including their policy number and a copy of their policy schedule; and

We will not make any payment for any claim or loss arising from firework or bonfire displays unless all of the above criteria have been fully complied with.
